Co je kente?

Peníze jsou silnější než krev

**Nic ašantskou ženu tak nevábí
jako muži v kente z hedvábí**

Co je na kente tak výjimečného?

- Proč je dobré mít kente z té nejjemnější látky?
- Proč je důležitý vzor, který je na kente?

- Není tajemství mezi dvěma lidmi.

- Pouze jeden člověk nemůže vládnout celému národu

- Dříve nebo později každý zbloudí

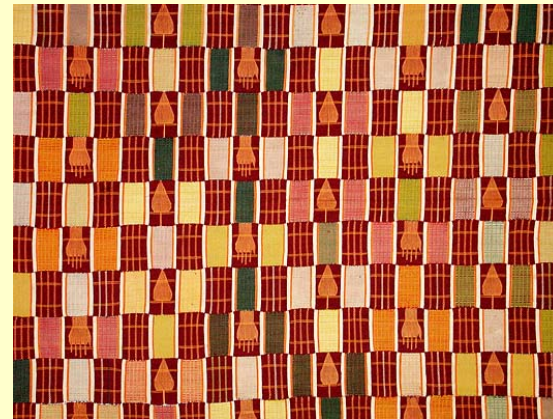

- Nejdůležitější věci bývají lidskému oku skryté

- Bílý muž namířil svoji zbraň proti buši, ale buš byl silnější

- Nic není horší než chudoba.
- Chycení levharta.
- Jedna hlava nikdy radu nevytvoří.
