

# *Department of Clothing Technology - KOD*

*Head of department: prof. Dr. Ing. Zdeněk Kůs*

*Contact person: Ing. Petra Komárková, Ph.D.*

*Building E3, 1. floor*

## TEXTILE TECHNOLOGY II

CLOTHING TECHNOLOGY

NONWOVENS

TEXTILE FINISHING

# Schedule of lectures and seminars

- Clothing technology– provided by the Department of Clothing Technology
  - Contact: Ing. Petra Komárková, Ph.D.  
*petra.komarkova@tul.cz*
- Nonwovens – provided by the Department of Nonwovens and Nanofibrous Materials
  - Contact: Ing. Jiří Chaloupek, Ph.D.  
*jiri.chaloupek@tul.cz*
- Textile finishing – provided by the Department of Material Engineering, Textile chemistry laboratories
  - Contact: Ing. Marie Kašparová, Ph.D.  
*marie.kasparova@tul.cz*

# Department of Clothing Technology

- Contact persons:
  - Main contact: Ing. Petra Komárková, Ph.D  
[petra.komarkova@tul.cz](mailto:petra.komarkova@tul.cz)
  - Laboratory excursion: Ing. Viera Glombíková, Ph.D.  
[viera.glombikova@tul.cz](mailto:viera.glombikova@tul.cz)
  - Clothing Technology: Ing. Renáta Nemčoková

# Full-time study

SEMESTER WEEK	LECTURES	SEMINARS
1.	Introduction	Introduction seminar (Department of Clothing Technology - KOD)
2.	Clothing technology	Seminar at KOD
3.	Clothing technology	Seminar at KOD
4.	Clothing technology	Seminar at KOD
5.	Clothing technology	Seminar at KOD
6.	Nonwovens	Seminar at Department of Nonwovens and Nanofibrous Materials (KNT)
7.	Nonwovens	Seminar at KNT
8.	Nonwovens	Seminar at KNT
9.	Nonwovens	Seminar at KNT
10.	Textile finishing	Seminar at Department of Material Engineering (KMI) in textile chemistry laboratories
11.	Textile finishing	Seminar at KMI
12.	Textile finishing	Seminar at KMI
13.	Textile finishing	Seminar at KMI
14.	Summary	Credit – provided by KOD

elearning.tul.cz

## KOD/TT2 - Textile technology II (2023)

The screenshot displays the course page for KOD/TT2 - Textile Technology II. (2023) (ENGLISH) on the elearning.tul.cz portal. The page is structured as follows:

- Navigation:** Includes links for Home, Dashboard, and My courses. The user is logged in as Petra KomárkováStudent.
- Course Title:** KOD/TT2 - Textile Technology II. (2023) (ENGLISH)
- Course Path:** Dashboard / Courses / FT / KOD / 2023/24 / KOD/TT2 - Textile Technology II. (2023) (ENGLISH)
- Search Forums:** A search bar is available for finding forum posts.
- Advanced Search:** A link to perform more detailed searches.
- Latest Announcements:** A section for updates, currently showing no announcements.
- Upcoming Events:** A section for future events, currently showing none.
- General:** A section containing a red circular icon and the word "Notice".
- Examination, credit:** A section detailing the exam format and credit requirements.
  - Examination:**
    - written form
    - examination dates – see STAG
    - condition for the examination – credit
    - In the classroom "ODP" at the Department of clothing technology
    - For the exam, every student must know their password for **E-learning TUL**
  - Credit:**
    - Participation in seminars
    - 3 credit points (1 - KOD, 1 - KNT, 1 - KMI)
    - Elaboration and presentation of tasks from seminars
- Department Information:**
  - KOD - Department of Clothing Technology
  - KNT - Department of Nonwovens and Nanofibrous Materials
  - KMI - Department of Material Engineering
- Study materials - lectures:** A section for accessing lecture materials.

# Examination, Credit

- Exam – written form
  - Examination dates – see STAG
  - Condition for the examination – credit
- Credit
  - Participation in seminars,
  - 3 credit points (1 - KOD, 1 – KNT, 1 – KMI)
  - Elaboration and presentation of tasks from seminars

KOD - Department of Clothing Technology

KNT - Department of Nonwovens and Nanofibrous Materials

KMI - Department of Material Engineering
