# Workplace diversity

... has the power to ...

01

Feelings of belonging

02

Increase profits

03

Lead to more  
innovation

04

Drive better  
decisions

05

Make teams  
more productive

# Workplace diversity

*Diversity is difference. Both visible and invisible, socially constructed yet based on real experience.*

*It has the power to lead to both feelings of inclusion and of intimidation.*

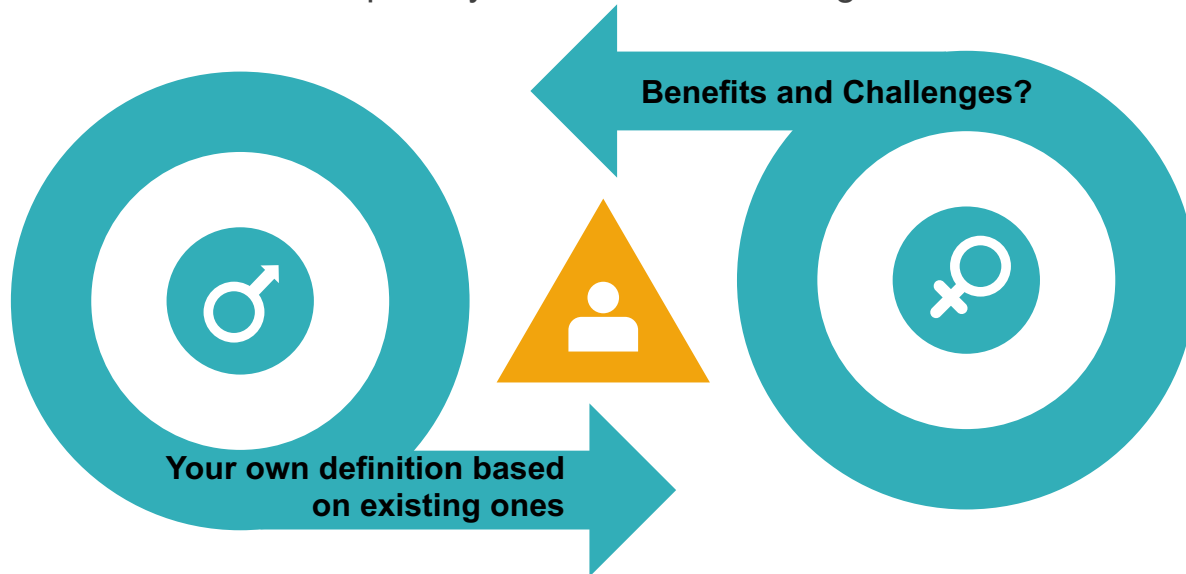

# Work in pairs

## Workplace diversity worksheet

Each student will fill in the worksheet so that everyone has its own to learn from.
