# Virtual Mobility: NEW CHALLENGES FOR MANAGEMENT ACCOUNTING

PLEASE INTRODUCE YOURSELF - Please use this Padlet wall to tell us more about YOURSELF, who you are, where are you from, what you love, and what you enjoy doing. Indicate whether you are from FE TUL, or ISCAL. 1) USE 3 STATEMENTS which describe you the best (+ You can also add 1 picture characterising you). 2) What are your CAREER GOALS? 3) What do you hope to gain from this VIRTUAL experience? To post anything to this wall, double-click it or use a (+) sign at the bottom. Please put your NAME as the title. Otherwise, your post will be anonymous.

# YOUR TEACHERS

## Lenka STRYCKOVA - FE TUL TEACHER

Hello Students! I'm a teacher of Managerial Accounting from the Faculty of Economics from LIBEREC:-). Together with Marina from LISBON, we have prepared for you this virtual experience. We hope you enjoy it and gain maximum for your future career path!

I like cats 🐱, travelling, hiking and trying new things.

## Marina ANTUNES - Professor at ISCAL

Hi dear students! My name is Marina Antunes and I am a professor of Management Accounting at ISCAL (Lisbon Accounting and Business School). I hope you enjoy this challenge and that you keep good memories of sharing this with the students and Professor Lenka from the Faculty of Economics of Liberec! I really enjoy beach days, going for walks and enjoying every moment with family and friends!

I am Martina D'Oria, I am 24 years old and I am from Italy. I live in Trepuzzi, a small town near Lecce but I study at Bocconi University in Milan. Now I am living in Lisbon for the Erasmus+ programme and I am from Iscal.

I am a woman who really likes to travel, I have visited several countries during my life but I would like to be able to do it more often. I am very close to my family and friends, who are the pillars of my whole life. I am a very determined and ambitious person, because my aim is to fulfill myself professionally in the economy.

My career goals are to be able to enter the world of the Italian and foreign economy and to work actively in this sector that has always fascinated me.

From this beautiful virtual experience I hope to meet new people coming from other countries, to have a mutual and constant exchange of knowledge and to encourage each other. I hope to learn from them something different from my own culture and new ways of thinking.

# STUDENTS OF FE TUL

## Evangelos Kolomodis

## Pablo Marcos

My name is Pablo. I'm 21 years old. I'm from Seville, Spain. I think I could describe myself as a responsible person, hard-worker and trustworthy.

In the future I would like to make my own company, related to fashion if it was possible. Also, I hope this virtual experience helps me to develop my social skills and improve my English.

## Natalia Vera Turpín

Hi, my name is Natalia, I'm 20 years old and I'm from Murcia, Spain. I enjoy playing volleyball or singing. 3 statements that describe me are strict, attentive, and reliable. I'm studying Marketing and, in the future, I see myself working in the department of marketing of a big multinational or starting my own business. I'm here because I think this experience is gonna be very useful for my future because I'm gonna be able to learn a lot of things from other points of view.

## Javier Isorna Parejo

Hi, my name is Javier I´m 22 years old and I´m from Seville, Spain. I study business administration and management.

Things that describe me; I´m a happy person, when I do something i like I give my 100% and I consider me like a social person to. From this experience I would like to learns about this new culture, succeed in my studies of course and make new friends meeting many people.

# Manojkumar Mathavan

Hai Everyone,

Myself Manoj from Tamilnadu and I have done my tertiary education from BITS Pilani University with a Masters in Software Systems and a Bachelors in Nautical Technology.

My professional experience includes analyzing business process requirements, designing automation strategies, and implementing & deploying them in the production using RPA tools like UiPath / Java-Selenium Scripts to achieve end to end automation. And I also have experience of working in the Operations team, mainly in the Export Documentation for Liner companies like Hapag-Lloyd & Ocean Network Express. Apart from this, I have done some internship in Tanker vessels as a Trainee Navigation Officer.

Currently I'm studying Management of Business Processes at FE TUL, and after graduation, I hope I will start my own business or continue my career in the digital transformation industry.

And through this virtual mobility program, I think I can gain some social skills plus some online presentation skills.

## Bethelihem Guchma Zenebe

Hi my name is Bethelihem Guchma Zenebe. I have bachelor degree in Civil Engineering. I decided to study in management of business process because it gives me the ability and knowledge to ensure successful completion of project with in the budget, scope and timeline. My future career is to be a project manager. Three statements that describe me are courageous, resilient and passionate.

I hope this virtual experience would help me to communicate with people who have different backgrounds and to learn a lot of things.

## Diego Castaño Giménez

Hi I'm Diego, I'm 20 years old and I'm from Murcia Spain, I would describe myself as a hardworking, cheerful and responsible person. In the future I would like to work in a major company in Spain or another country. Finally, I believe that this experience will help me to improve my English and to see life from another point of view

Hi!

I'm Pooja Singh from India. I have completed my bachelor's degree in commerce and currently pursuing my master's in management of business process. Currently my career goals are to gain experience and knowledge which leads to become a good project manager. The three statements that describe me is hardwork, patience and creativity. I hope this virtual platform helps me nurture my presentation skills.

## Aby Babu

Hello, I am Aby Babu from India. I completed bachelor's degree in business Administration. I came here to learn business process management. My hobbies are reading musical instruments like Violin, Piano and Tabla. My dream goal is to start my own business.

# STUDENTS OF ISCAL

## Maja Nosarzewska - economics analytics student

Hello! My name is Maja. I'm 20 years old.

I am from Poland. I study at the Gdańsk University of Technology. My career goals are to become a data analyst and start my own business. I hope to gain new friendships, get to know another culture and improve my English.

## Weronika Kłonica

Hi!

I'm Weronika from Poland. I'm 20 years old and study finance at University of Gdańsk. I love traveling, cooking, and reading books. Currently, my career goals are to gain knowledge and experience in many areas to clarify my strengths and weaknesses. I hope to broaden my perspective on international business thanks to this project.

# Lotte van Sint Truiden

Hello! My name is Lotte and I am from the Netherlands. I study International Business at the Hague Univeristy of Applied Sciences. I love travelling, being with friends and hiking. My career goals are helping businesses with their sustainability goals or start my own sustainable business. I hope to gain more knowledge and learn a lot of new things.

## **Piotr Zambrzycki - student of Economic Analysis**

I am Piotr, a 21-year-old individual from Poland. I am currently pursuing a degree in Economic Analysis at Gdansk University of Technology. In my free time, I enjoy socializing with friends, engaging in surfing, and exploring new destinations through travel. My professional goals involve acquiring a profound understanding of economics and developing data analysis skills, ultimately with the intention of establishing my own business in the future. I look forward to the opportunity to build new friendships and expand my knowledge.

## Sebastian Stando

Hi! My name is Sebastian and I'm 21 years old. I'm from Poland and my home university is located in Gdańsk (Gdańsk University of Technology). My hobbies are travelling, experiencing new cultures and also swimming at my hometowns lakes :) Three statements that describe me perfectly are: ingenuity, spontaneity and diligence. My career goals are to become an Analytics Specialist and acquire hard skills that would make me stand out on the market. I hope that I will gain new friendships, improve my English and also learn a lot of new things.

## Mikołaj Wesółowski

Hi, my name is Mikołaj. I'm 21 years old and I study in Poland at Gdańsk University of Technology. In my free time I love traveling, meeting new people, places and also spending time with my friends. My career goal is to acquire experience and necessary skills to become a data analyst. I hope to make new friends and obtain knowledge from the experience.

My name is Carla Dias, I'm 44 years old and I'm studying Management in ISCAL - Lisbon, Portugal, because I believe it's the only way to improve my professional life - also because I love learning and being involved in the decision making process. I'm married, have 2 children (a 19 year old girl and a 3 year old boy) and I love watching movies and crime series, riding bicycle, I love to travel and to learn new things.

## Anita Maculewicz

phone: +48 796 163 000, ig: anitos\_cheetos

Hi there! I'm Anita, 21 years old, and I'm an outgoing, adventure-loving and positively crazy girl from Poland. I can assure you that working with me it's not gonna be boring :). I'm a Financial Analysis student at the University of Gdansk. I'm interested in stock markets, so my dream job would be day trading on my laptop while laying under a palm tree in Bali. I love the risk and challenge, so let's make this project fun! - reach out to me, amigos!

# Christian Weiß - Student in Business Administration HR and Finance

Reach out on WhatsApp: +4369919214093

Hi, i am Christian from Austria.

At home i was able to gather some years work experience in Banking, so i know how to work in Teams and how to get tasks done.

I came to ISCAL and to Portugal to surf a lot, meet new people and to get to know Portuguese culture.

In addition i like to travel, play volleyball and spend time in the nature.

From this Erasmus i expect to get to know what i want to do in future.

## Lola Rossi

Hi everyone! My name is Lola, I'm 20 years old and I'm from Italy.

I live near Milan and I study there Marketing, Economics and Global Markets.

I studied music for a long time and art is my passion. My career goal would be to connect these two fields and work in the economy of arts.

I love travelling, it makes me feel alive, experience new things and meet new wonderful people.

I'm looking forward to make a new and stimulating experience!

## Deivydas Kruckas

Hello! My name is Deivydas. I'm 20 years old.

I am from Lithuania. I'm studying at Alytus College and my study program is transport and logistics business.

In my spare time, I spend a lot of time in the skatepark doing extreme and crazy stunts on my bmx bike, I like to play basketball, I also like motorcycles and I spend time with my family and friends.

My carrer goals are to gain more knowledge and experience from different fields so that after accumulating all the knowledge I can build my business more easily.

I hope to gain new friendships, I'm trying to improve my English skills. I try to get acquainted with other cultural characteristics and have the best memories with friends.

## Emilis Bukaveckas - Transport and logistics business student

Greetings, My name is Emilis. I am 20 years old. I am from Lithuania. I study at the Alytaus College. In my spare time, I'm an avid sports enthusiast, particularly enjoying basketball, football, and volleyball. When I'm not on the court or field, I cherish spending quality moments with my friends. My career goals are to gain knowledge and skills that can help me to build my own company. I hope to gain new friendships and improve my English and expand my knowledge even more

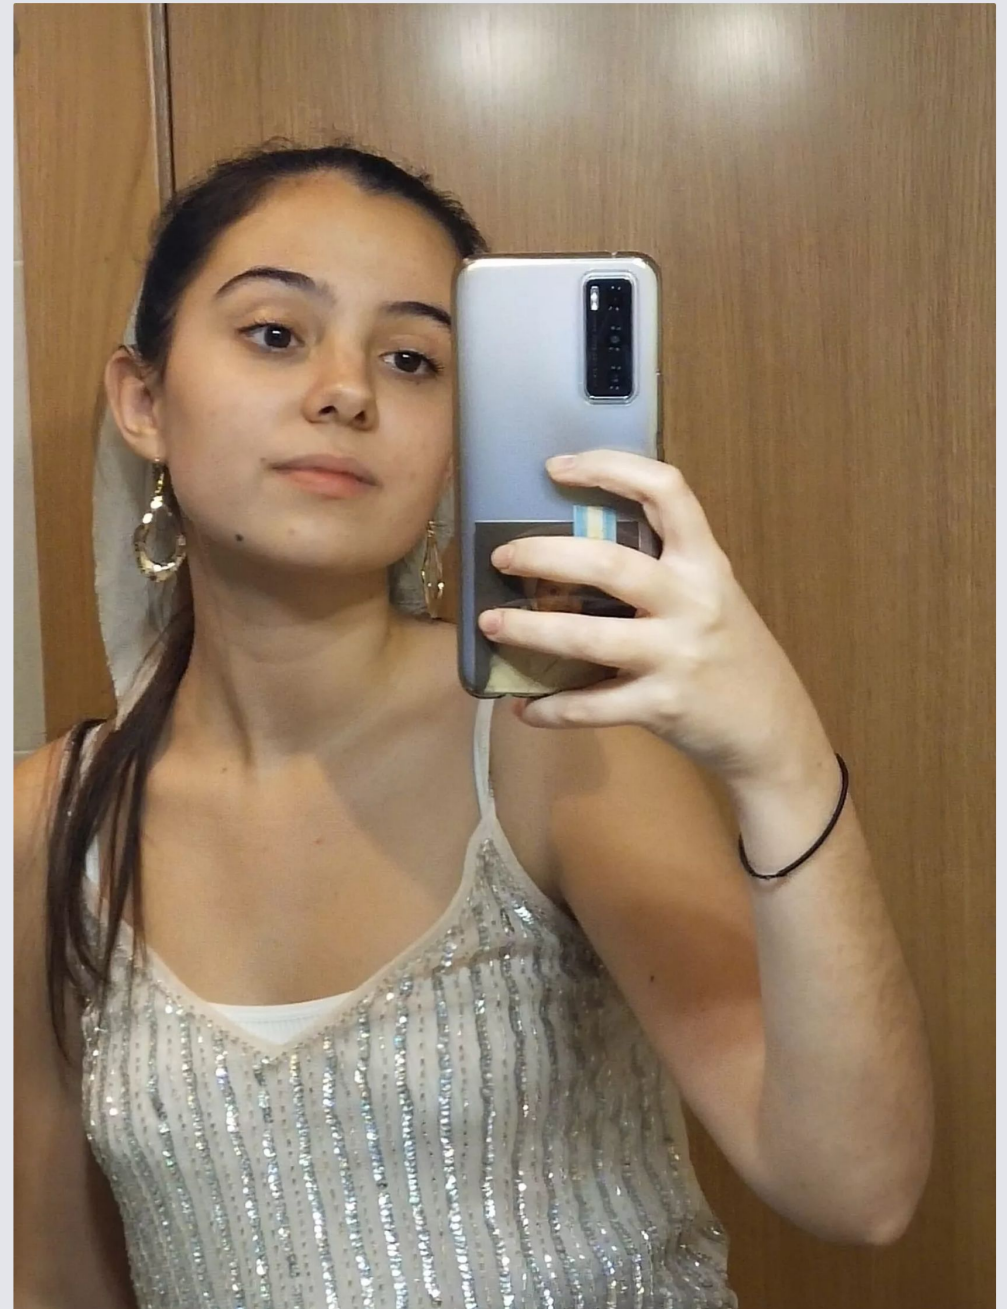

## María López

Hi! My name is María. I'm 19.

I'm from Spain, and my home university is UVa (Valladolid). I study Commerce and Human Resources.

I studied music and piano, and I love travelling.

My career goal is to start my own business. I hope this experience helps me to gain other points of view from my group mates.

Hi everyone ! My name is Christopher and I'm 22 years old. I'm studying Management and Business School in France at University Paris-Créteil. I love travelling and discovering new places and cultures. Erasmus in Iscal is a great opportunity to gain new knowledge and meet new people from all over the world.

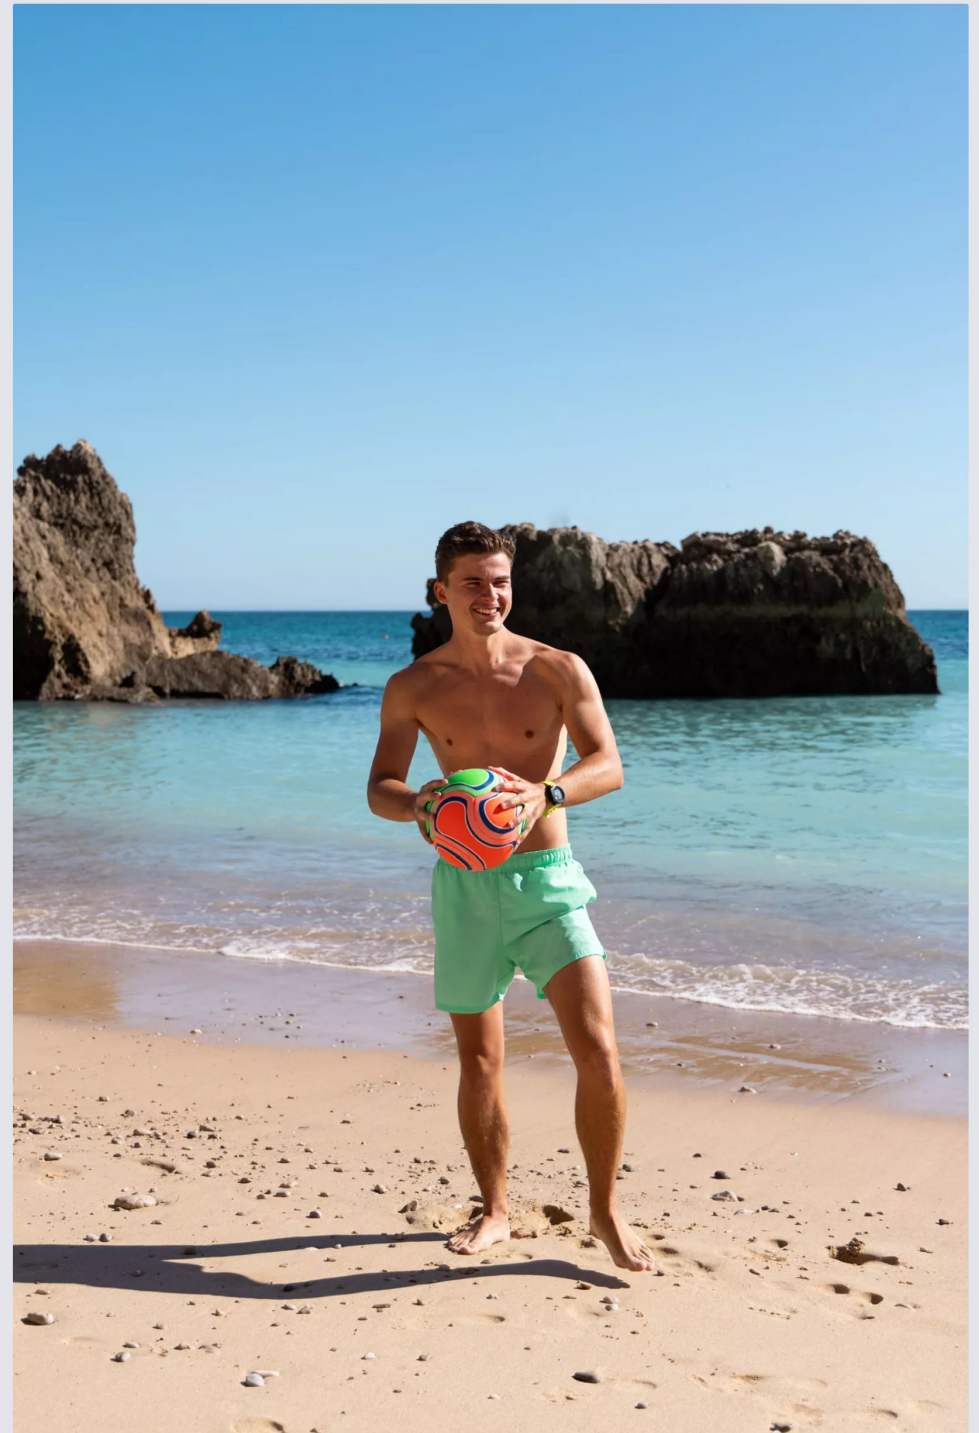

## Jan Beran

Hey! My name is Jan and I come from the Czech Republic. I am a 23 year old student from Technical University of Liberec, where I study Business Process Management. 🎓

I am a mountain lover 🏔️ and sports enthusiast, my favourite hobbies are cycling, hiking and football. I am open to new opportunities and this was one of the reasons why I travelled to Lisbon.

My career goal is to capitalise the knowledge I have gained and turn it into something meaningful.

I would like to deepen my knowledge in the field, improve my English, meet new people and make new friendships.

## Johanka Svobodová

Hi, my name is Johanka and I'm 21 years old. I'm from the Czech Republic and I'm a third year student at the Technical University of Liberec, where I'm studying service management.

I like travelling, especially the Alps. 🏔️ Since I was little I have been interested in horses and their breeding, but now I don't have much time for it. 🐎

My career goal is to do anything that will make me happy at the moment, because I am of the opinion that our goals change throughout our lives.

From this virtual project I expect to learn how to communicate with people over the long distance and improve my English.

## Vít Havlík

Hello! My name is Vít and I'm 21 years old. I'm from the Czech Republic and I study Service Management at the Technical University of Liberec (what a coincidence :D). My career goal is to improve myself in finance or accounting and in the future I want to become a specialist in these areas.

My biggest and lifelong hobby is table tennis, besides that I like football, spending time with friends and cycling.

I hope to learn a lot of new things in this project and improve my communication.

## Célia Dias

Hey !! I'm Célia Dias, I'm 19 years old and I'm from France. I'm studying near Paris in Marketing and communication in 2nd year of Bachelor.

If I had to say 3 words to describe me, I would say: fun, ambition and adventure.

I love travelling, going out with my friends and spending time with my family.

My career goals is to work for the communication of a big company or starting my own business.

With this experience, I would like to practice my english, meet new friends and learn a lot of things from other people and of course creating a lot of memories :))

## Emma Barili

Hi! My name is Emma, I'm from Milan, where I'm studying Marketing, international communication and global markets.

My big interest and hobby is cinema, that, despite looking far and distant from what I'm currently studying, is deeply connected with the advertisement and marketing world.

I'm very happy to start this virtual mobility to have the chance to abroad my knowledge and meet people with different backgrounds.

## **carlo saletti**

I'm Carlo Saletti, an italian student of economic and business in Verona, Italy. I'm in Lisbon for a 10 months erasmus, and I don't know what I can write :)

## Aneta Feltová

Hey!! My name is Aneta and I am a 21 years old student from the Czech Republic. I study service management at the Technical University of Liberec.

I love adventure, travelling and trying new things, so Erasmus is one of the great experiences for me. 🌍

My career goal is to constantly learn, improve my skills and move to another country to expand my opportunities. 🧐

I hope that through this virtual experience I will gain new knowledge for my future career, improve my communication skills and make new friendships.

## Maja 2

Hi! I'm a economic analytics student from Poland. In the future I would like to move to another country and work as a data analyst. But for now, I want to use my time on Erasmus to gain experience, meet new people and improve my English.

## Monika Korona

Hi! My name is Monika. I'm 21 years old, and I study Financial Analysis at the University of Gdańsk. I love travelling, hiking and reading books. My career goals are all about gaining valuable knowledge and experience that will eventually help me improve my financial and accounting skills. Through this journey, I aim to not only expand my knowledge but also build wonderful friendships along the way.

## **Ania Walaszek**

Hi! My name is Ania and I'm 20 years old. I'm from Poland where I study Financial Analysis at the University of Gdańsk. I love travelling, experiencing new cultures, and spending time with friends. My career goal is to gain the skills that will help me to become a financial analyst. Through this experience, I hope to not only improve my English but also improve my communication skills and meet new people.

## **Gabrielė Bložytė**

Hey!

My name is Gabrielė and I am from Lithuania. I study Global Marketing at Vilnius University in Lithuania and I am doing my Erasmus in Lisbon. In my free time, I enjoy hiking, yoga and traveling. I hope this project will let help me to learn about different view points and gain knowledge.

## Paulina Wiśniewska

Hi, I am Paulina, from Poland. I am studying management and temporarily studying at ISCAL. So far I haven't discovered my vocation, I'm still working on it. However, I know that I want to live abroad permanently one day, so I'm exploring and checking out the best places to do so.

## Natália Jancurová

Hi!

My name is Natália and I am from Slovakia. Currently I'm studying in Portugal at Iscal one semester. I'm really glad that I have this opportunity to study abroad because I love travelling and exploring new countries and their cultures. In my free time I enjoy a lot of sports, I love cooking and also trying new recipes. I'm more than happy that I can gain new experience from this opportunity because I can gain new knowledge. My career goals are to be independent and I want to have job that is fulfilling me and that will move me forward every day. Thank you !

## Ráchel Bakošová

Hello, my name is Ráchel and I am 21. I am from Slovakia and I study Economics and Management at PEVŠ University in Bratislava. I love traveling, so I am so excited that I have this opportunity to be here in Portugal through Erasmus. My carrier goal now is to get my desire degree at university, but my future goal is my own personal development in business and find a job I love.

## Eszter Pekár

Hii

My name is Eszter and I'm 21 years old. I'm from Hungary and I study engineering management at Budapest University of Technology and Economics. In my spare time I love traveling, watching movies, trying out new foods, exploring and reading. My career goal is to find a challenging and interesting job that I can call my passion. I'm very excited and curious about the upcoming project together.

## **Joost van Bentum - Student of Avans university, bachelor industrial engineering and management**

Hello, my name is Joost van Bentum and im from the netherlands.

I came to Portugal to get the full erasmus experience and to meet new people.

I like to be active and i like football, american football and running.

Whatsapp: +31 614489738

## Lylou Ransay

Hi ! My name is Lylou and I'm 19 years old. I'm from France next to Paris !

I'm studying Marketing, Communication and sells in a Bachelor and after I would like to do a master degree in the digital marketing.

Three words that describe me would be passionate, motivated and discovery.

In the futur I think that being in a department of marketing of a big company would be my goal or starting my own business.

I love discovering new things so let's start this project !

## Camiel van der Vorst - 21 - Bachelor Industrial Engineering & Management

Hi my name is Camiel and I am a student from the Netherlands. I study Bachelor Industrial Engineering & Management at Avans Hogeschool. I like to play field hockey, go to the gym and having a good time with my friends. I don't know yet what my career goals are but I would like to work at a technical company in the future. I hope to learn a lot of new people, cultures and where the best parties are.

## Matias Paloniemi

Hi! My name is Matias and I'm from Finland, from northern part. I'm 30 years old and my home university is Oulu university of applied sciences and professional field business and entrepreneurship. I'm interested in investing and I have worked many years with sales and service. My passion is padel and surfing here in Lisbon and skiing and ice-hockey in Finland. I would like to have more experiences with international situations in the future.

## Angela Callipari

Hello everyone! I am Angela Callipari and I am a student of business administration and management at the University of Verona, Italy. I am now attending my senior year at ISCAL, in Lisbon, thanks to the Erasmus project.

I was born in Italy, but I have Cuban origins from my mother.

I am a very sunny girl and I really like to have new experiences of any kind.

I love traveling, dancing, enjoying sunsets and hanging out with my friends.

From the university point of view, after graduation I will start a master's degree or a master's degree related to my studies, most likely more focused on the financial field.

I am very happy to be able to participate in this experience. I hope to meet many new people and learn new skills related to the subject!

## Lise Rivière

Hi! My name is Lise.

I'm 21 years old. I'm from France and I'm currently in my 3rd year of a Bachelor Degree in Business Administration Management. I love listening music, spending time with my friends and travelling.

My career goal would be to find a job where I can help companies to optimize and improve themselves on all of the aspects.

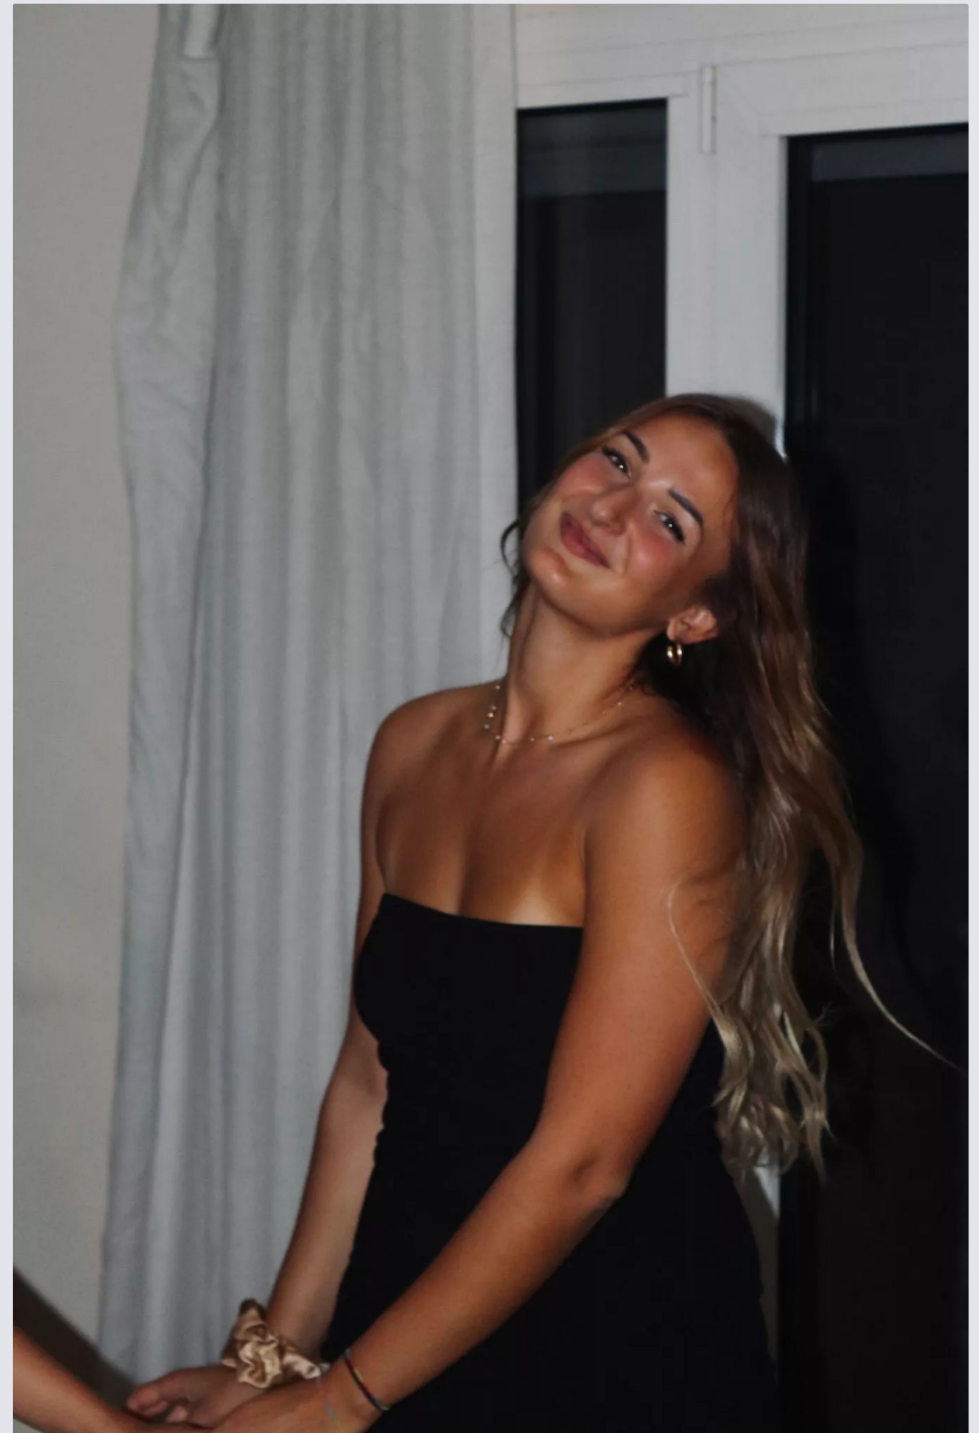

I hope this experience will bring me a lot of knowledge and make me meet new people.

I am Martina D'Oria, I am 24 years old and I am from Italy. I live in Trepuzzi, a small town near Lecce but I study at Bicocca University in Milan. Now I am living in Lisbon for the Erasmus+ programme and I am from Iscal.

I am a woman who really likes to travel, I have visited several countries during my life but I would like to be able to do it more often. I am very close to my family and friends, who are the pillars of my whole life. I am a very determined and ambitious person, because my aim is to fulfill myself professionally in the economy.

My career goals are to be able to enter the world of the Italian and foreign economy and to work actively in this sector that has always fascinated me. From this beautiful virtual experience I hope to meet new people coming from other countries, to have a mutual and constant exchange of knowledge and to encourage each other. I hope to learn from them something different from my own culture and new ways of thinking.

## Tomáš Švec

Hi, my name is Tomáš, I'm 23 years old student from Slovakia studying accounting and auditing at University of economics in Bratislava. Traits that describe me would be adventurous, easy-going and open-minded. My career goals is to have a company myself with like-minded people with same vision as me working in the online environment. From this virtual experience I hope to improve my soft skills, english as well as presentation skills.

## **Kacper Włostowski**

Hi my name is Kacper. I am a student of Gdańsk University of Technology. I study economic analytics. I am very sociable and I like to know new people. In my spare time I am doing music tracks. Also I really like listening to music. My favourite genre of music is rap.

## Olga Zasuwa

Hi! My name is Olga. I study at the Gdańsk University of Technology in Poland. I love being with my friends and travelling. My career goal is to become a data analyst and start my own business. I hope to gain new friends and knowledge.

Hi ! My name is Jeanne. I'm 20 years old.  
I study business and administration at UBO university, in France. But I'm doing an Erasmus at ISCAL all this year.  
I love music, hiking, and doing nautical sports.  
My career goal would be to work in sustainable development or for a NGO.  
I hope this experience could help me to improve my English, to get new knowledges and meet new people.

## Klaudia Krezymon

My name is Klaudia, I'm from Poland. I am 23 years old and I study in Gdańsk. I love traveling, nice weather, learning new things and making new friends. That's why I came to Portugal for Erasmus. I hope to experience new things, gain more knowledge and maybe find out what I would like to do in life ;)

+48726642533

klaudiakrezymon@gmail.com

Hi! My name is Oliwia and I'm 23. I live in Gdańsk, I love to travel so that's why I am at Lisbon right now. I am looking for new experiences because I can't stay for so long in one place :D I work online and apart from studying I'm learning spanish on my own, I really like it. I hope that my Erasmus trip will remain in my memory for a long time :)
